

## **Washington Living Will Registry: Register Now for Peace of Mind**

Did you know that Washington is one of the few states in the nation to offer a secure, online registry for living wills and other advance directives? Register your completed advance directives on the Washington State Living Will Registry by following instructions at [www.doh.wa.gov/livingwill](http://www.doh.wa.gov/livingwill). The registry is operated by the Washington State Department of Health and allows health care providers quick and easy access to your end-of-life wishes wherever there is internet access. There is no charge for registration.
